Pastor, if your congregation is interested in being part of a meaningful ministry to break the silence around sex and sexuality to reduce teen pregnancy and the spread of HIV/AIDS and STI's, they must be trained! Please sign the Pastor's Agreement Form, plan when you would like to start the sessions at your church, and identify two adult members of your congregation to bring their Bibles and register to join us to strengthen their skills in dialogue, in small group facilitation, in providing feedback, promoting critical thinking, and much more as we faithfully, prayerfully, break the silence.
