

As Christian clergy, we are strongly opposed to the Abortion Ban.

This rigid and restrictive law has no exceptions for rape and incest victims and no exceptions if a woman's health is in danger. Tragically, it will force some women and girls to continue pregnancies caused by violence or coercion.

We mourn the fact that the women and girls of South Dakota will be abandoned when they most need our help.

We are pastors and we will be voting NO on Referred Law #6, the Abortion Ban, on November 7.

Founded in 2005, Pastors for Moral Choices is an organization of religious leaders serving in many different denominations in South Dakota. As Christian clergy, we are committed to God's call to relate to all people with compassion and love. www.PastorsForMoralChoices.org
